

DANIELSON AND PUTNAM NEWS

DANIELSON

And now comes a cry about what is a good wood? Shavings of coal in Danielson these fall days have started a drive on wood buying and all of the talk about what constitutes an honest-to-goodness cord.

As to this A. B. Moss, vice foreman of the Connecticut Agricultural College gives these interesting facts:

While a cord of wood is accepted as a pile of wood, four feet high, four feet wide and sixteen feet long, containing 128 cubic feet, it seems that cords of the same dimensions may vary largely in contents. According to Mr. Moss the average cord of wood contains 85 cubic feet of wood and 43 cubic feet of air. Straight sticks and large sizes give the greater content of wood, while small crooked sticks give the least wood and the most air or waste space. Big, straight sticks are better than small, straight sticks, because there is less space taken up by bark.

The shorter the sticks the closer they will pile, says Mr. Moss. A cord of wood cut into 16-inch lengths will pile into a space of about 105 cubic feet, while a cord of wood cut into 13-inch lengths will occupy only 95 cubic feet. A cord of wood, thrown loosely into a box, will occupy 140 cubic feet. In other words, a cord of wood is not always what it seems.

Wood, said Mr. Moss, is made up chemically as follows: carbon, 48 per cent; oxygen, 41 per cent; hydrogen, 5 per cent; ash, 6 per cent. Wood that has been air dried contains about 25 to 30 per cent of water.

PUTNAM

Next Monday evening when the town school committee meets in regular session one of the matters that will come up for consideration will be whether an evening school will be maintained by Putnam during the present fall and winter. For several years Putnam has had such a school. The state requires of towns where evening schools are established that they be maintained for the season that shall be the town school committee to take up this matter this year, but not too late, for by holding a sufficient number of sessions each week during the cold weather period the 75 nights law may be complied with and the town entitled to such state aid as is provided for under the statute.

The Alpha Delta class of the Connecticut Bible school has elected the following officers for the ensuing year: President, Mrs. Charles Franklin; vice president, Mrs. A. I. Tourtelotte; secretary, Mrs. Robert Roberts; treasurer, Mrs. Marion Warren; chairman of social committee, Mrs. A. W. May; chairman of the class, Mrs. George Clark; missioner, Mrs. Frank Arnold; membership, Mrs. Charles E. Dean; flower, Mrs. Ruth Cogan; teacher, Mrs. E. M. Warner.

The famous Lee King made his appearance in Putnam Thursday morning, when the temperature dropped to 21 degrees. It was a very cold day, and the people of the city in greater degree than does much of the applause bestowed. Lewis was given the decision, though many thought he won from Willard by only a narrow margin.

Smaller McCormack of Stonington had the better of the boys with Red Champagne of Maccus. McCormack, manifestly is a much more experienced and finished exponent of the game than Champagne, who was down several times during the bout, which was a preliminary affair.

In the Dundee-Larabee, the decision went to Larabee. The match was a very close one, and was thoroughly enjoyed by the crowd. Bill Conway of Hartford was referee.

Under the auspices of the Woman's Republican Club of Killingly, Mrs. Marian Blake Campbell will come here next Monday evening, October 23, to address a meeting to be held in Phoenix hall. This meeting is open to all women who are interested. Mrs. Campbell will discuss issues of the day, and will also read a paper on the state election on November 7.

Better Results in Oral English will be Miss Louise Danielson's subject at the fall meeting of the teachers' association to be held in New London on Friday of next week. Principal Ernest R. Warren of Killingly High School will be chairman of the French section of the convention.

The following is the honor list at Killingly High School for the first period of the school year:

Highest Honors—Seniors: Emily Pike; Juniors: Isabel Payne; Sophomores: Marietta Palmer, Ruth Spencer, Frances Tillman, Freshmen: Rose Milson, Zephiah Coddington.

Charles D. Hyde is the democratic nominee for representative in the town of Torrington. Mr. Hyde has had legislative experience at Hartford as a member of the house for the town of Canterbury.

William O'Brien, one of the Boston boys who recently was picked up here as a vagrant and returned to Boston, is now in the custody of the Providence police. Mr. Hyde has had legislative experience at Hartford as a member of the house for the town of Canterbury.

Rev. Albert Jepson will be at New Haven Thursday and Friday of next week for the 25th anniversary observance of the consecration of St. Rev. Chauncey Bunce Brewster, bishop of Connecticut.

Mr. and Mrs. Joseph Cristini are to sail from New York a week from Saturday for enos. Mr. Cristini will remain in Italy about six months. Mrs. Cristini will not return for two years. Their three children will accompany them.

René Caron will have the members of the Danielson Radio club at his home for a meeting this (Friday) evening.

Boxing bouts staged by the Casino Amusement company at the Orpheum Theatre were a success. The big attendance of the sport in attendance of that there is evidence of a desire for more. The go between Kid Lewis of Hartford and Young Willard of New Bedford was the main event of the evening, and the exhibitors were so evenly matched as to share very evenly in the prize.

HOW TO BEAUTIFY YOUR COMPLEXION AND BRING ROSES TO YOUR CHEEKS

A Free Gemma Prescription Does Its Work Over Night—You Can Prepare It At Home.

New York.—Exposure to bright sun, dust and wind has a very bad effect upon the skin and complexion. This is very harmful and there is a way to overcome it. "It is my own discovery and it takes just one night to get such marvelous results," says Miss Edna Wilder, whose friends ask her about her wonderful complexion and the improved appearance of her hands and arms. "You can do the same thing if you follow my advice," she says, "and you will tell every girl and woman what this wonderful prescription did for me."

"Just think of it, all this change in a single night! I never use of make-up, and what brought about such remarkable results? Here is the identical prescription that removed every blemish from my face, neck, hands and arms. Until you try it you can form no idea of the marvelous change it will make in just one application. The prescription, which you can prepare at your own home, is as follows:

"Get any grocery store and get ten cents worth of ordinary oatmeal, and for every bottle counter a bottle of Derwille. Follow this recipe for using Gemma. The first application of Derwille will remove every blemish from the skin, leaving it smooth and velvety, giving one a very youthful appearance."

"I especially recommend this method for a dark, sallow skin, shiny nose, tan, coarse pores, rough skin, redness, wrinkles and in fact every blemish of the face, hands and arms are fair to it. If your neck or chest is discolored from

exposure, apply this combination and the objectionable defects will disappear as if by magic."

"It absolutely removes and will not produce or stimulate a growth of hair. No matter how rough and ugly the hair and skin may be, after using this combination will work a wonderful transformation. Over a million girls and women are now using it in preference to face powder and other beautifiers. This is what two well known actresses say about it."

Derwille, the beautiful actress, says: "The first application of this wonderful Derwille-oatmeal combination will astonish you. It imparts instant beauty to the skin of the face, neck, hands and arms. Everyone will talk about it. It protects my skin in all kinds of weather, and I never use it at all other preparations and am never without it."

Viola, Dana, the well known star, writes: "I have tried many other skin preparations, but I have found that this combination is the best. It is a simple process for anyone to have a smooth, clear skin. It will be a noticeable improvement after the first application and will refund the money. It is sold in three sizes and a money-refund guarantee by department stores and all druggists, including Lee & Osgood."

NOTE: To get the best effect be sure to follow the complete directions contained in every package of Derwille. So simple that anyone can use it, and so effective that any girl or woman can afford it. The manufacturers and druggists will refund the money if it does not give the desired results.
